ANTI RAGGING COMMITTEE/ ANTI RAGGING SQUAD

With reference to letter UGC, AICTE New Delhi, RGPV Bhopal "Mathuradevi Institute of Pharmacy" has constituted the ANTI RAGGING COMMITTEE & ANTI RAGGING SQUAD for the academic Session 2017-18 to prevent ragging in the campus.

The main objective of ragging is to 'break the ice' between the senior students and the new entrants. By means of an interaction, they get close and know each other. But in practice, it is nothing but a kind of torture. Ragging is any disorderly conduct whether spoken or written or by an act which causes annoyance, hardship or psychological harm or rises fear or shame in a student. It is generally committed by 'senior' students, upon the first year students.
